## SKILL HIGHLIGHTS

- CCNA – Routing and Switching
- Web Developing
- Android and iOS App Developing
- Unit Testing
- Pentesting with Kali Linux
- Network Programming

## LANGUAGES

- Bangla
- English

## HOBBIES

- Blog Writing
- Video Editing
- Youtubing

## SUMMARY

I am Jibon, a Computer Science and Engineering undergraduate and a network engineer. I completed my CCNA Routing and Switching course in march 2022 and I'm a CCNA tutor in freelancing market places.

## EXPERIENCE

**CCNA: Routing and Switching Tutor**| Dec 2021 - present
**Fiver, Upwork**

- Building efficient network
- Configuration of networking devices
- VLAN and NAT Server
- Load balancing
- Static and Dynamic Routing
- Policy Implementation using Access Lists
- DHCPv4/v6 Server Configuration and Management
- Ether-Channel configuration
- Wireless LAN implementation
- VPN and Network Virtualization
- Network Automation
- Troubleshooting network

## EDUCATION

**Bachelor of Science: Computer Science and Engineering**| 2017 - Present
Khulna University of Engineering & Technology – Khulna

**HSC: Dept of Science**| 2015 - 2017
Itakumari Shib Chandra Roy College –Rangpur

**SSC : Dept of Science** | 2013- - 2015
Damur Chakla High School – Rangpur

## CERTIFICATIONS

**Introduction to Networks -** CCNA R&S, Cisco

**Switching, Routing and Wireless Essentials -** CCNA R&S, Cisco

**Enterprise Networking, Security & Automation -** CCNA R&S, Cisco

**NDG: Linux Unhatched -** Cisco

**Intro to Cyber Security -** Cisco

## PROJECTS

- Digital Electronics Shop (eShop) by C/C++
- Video Streaming Platform like Vudu/tubi – PHP & web
- Network  Engineering Learning Platform – asp.NET
- Online Course Database - mySql

## PROGRAMMING LANGUAGES

- C, C++, Python
- Android, Swift
- Java, PHP
- asp.NET, Javascript
- Common Web Languages
